Job Number:	BWhite
Issue:	Consulting Ltd
PRODUCER STATEMENT-P	S1-DESIGN
ISSUED BY: BWhite Consulting Ltd (Design Engineer: Bevan W	/hite)
TO BE SUPPLIED TO: Western Bay District Council IN RESPEC	CT OF: Proposed NEW Farm Shed
AT: 313 Peers Rd, Omanawa, New Zealand	
LEGAL DESCRIPTION	
We have been engaged by Ezequote Pty Ltd to provide Specific Stru respect of the requirements of Clause(s) B1 of the Building Code for pastatement), of the proposed building work.	8 8 8
☐ ALL Part only as specified: Purlins, Rafters, Girts, Poles, Col	umns, Pole embedment and all connections
The design has been prepared in accordance with compliance documer Business, Innovation & Employment Clauses B1/VM1 and B1/VM4	nts to NZ Building Code issued by Ministry of
The proposed building work covered by the producer statement is desc-483-204324C and numbered A101-A117 REV-1 dated 15/01/2024 other documents set out in the schedule attached to this statement: Des and numbered "Second Page"	together with the following specification, and
On behalf of BWhite Consulting Ltd, and subject to:	
 Site verification of the following design assumptions: an Ultimate in accordance with NZS3604:2011 The building has a design life of 50 years and am Important Unless specifically noted, compliance of the drawings to Note NZS4229 have not been checked by this practice This Certificate does not cover any other building code clasts. Inspections of the building to be completed by Western Bakettd are not undertaking inspections, we cannot issue a profession. This Producer Statement- Design is valid for a building confissue All proprietary products meeting their performance specification 	nce Level 1 one-Specific codes such as NZS3604 and use including weather tightness y District Council. As BWhite Consulting ducer Statement-PS4- Construction usent issued within 1 year from the date
I believe on reasonable grounds that a) the building, if constructed in specifications, and other documents provided or listed in the attached s provisions of the Building Code and that b), the presons who have under competency to do so. I also recommend the follow level of construction	chedule, will comply with the relevant ertaken the design have the necessary

CM1 ☐ CM2 ☐ CM3 ☐ CM4 ☐ CM5 or as per agreement with owner/developer (stated above)
